Doug's Accountability Pledge

Should you, the voters of Eagan (District 38B), elect me to represent and serve you in the Minnesota House of Representatives, I hereby pledge and promise as follows:

1. I pledge to communicate every roll call vote I take on final passage of significant legislation, along with a concise explanation of the reasons for my vote, via Facebook, Twitter, and the Web shortly after each vote.
2. I pledge to vote against final passage of any bill for which I am not provided ample time to first read and understand the bill.
3. The people of Eagan should not have to travel to Saint Paul in order to meet with their elected representatives. Accordingly, absent exigent circumstances, I pledge to hold open and regular "office hours" to meet with constituents one on one or in small groups, at my home or another specified location within District 38B, at least one time each week during session and one time each month when the legislature is not in session.

Signed this 16th day
of September 2010

Douglas G. Wardlow
